

Protex™ Qualitative Respirator Fit Test Kit

Model SRFTK

Protex™

Advanced Protection

If It Doesn't Fit You, It Doesn't Protect You

The Protex™ Qualitative Respirator Fit Test Kit meets the performance criteria for fit testing tight-fitting face-piece respirators under current OSHA standards.

The qualitative fit test (QLFT) kit includes:

1. Test hood
2. Nebulizer #1 (sensitivity solution)
3. Nebulizer #2 (fit test solution)
4. Sensitivity solution applicator kit
5. Fit test solution applicator kit
6. Two sets of aerosolizing nozzles
7. Wire cleaner
